Faculty of Engineering University of Kragujevac offers **master academic studies** in academic 2023/2024 for the following study programme:

1. BIOENGINEERING – one-year master studies (60 ECTS)

Number of budget students: 0

Number of self-funding students: 30

Enrolment conditions:

All students who have finished four-year undergraduate academic studies at faculties from the area of technical-technological, medical and natural sciences and gained 240 ECTS shall be entitled to apply.

1. Rules for establishing the ranking of candidates

The enrolment in the study programme shall be determined by the number of available places and the rank of the candidate on the ranking list which is established on the basis of the results of the previously completed education.

The total number of points for ranking the candidates is determined based on the following formulas:

$$BP=10*PO*SE*KV$$

Legend:

BP - total number of points for student ranking,

PO - average grade achieved in basic academic studies,

SE - degree of equivalence of the study program of basic academic studies,

KV - coefficient of study time, which is calculated by:

$$KV=1-0.05*(VS-TP)$$

VS – time (in years) for which the student completed basic academic studies,

TP – duration of the study program of basic academic studies (in years),

The maximum total number of points that a candidate can achieve in ranking is 100.

2. Enrolment deadline
